Dear Families and Supporters,

As August begins, we hope you're finding moments of peace, strength, and connection wherever this season finds you. Whether you are a Gold Star family member, friend, or supporter, thank you for being part of this community. Together, we continue to honor those who've served and died by caring for one another, sharing hope, and ensuring no one walks this journey alone.

We invite you to join us at one of our many events taking place across the country this month. From reconnecting with familiar faces or attending for the first time, we would be honored to welcome you and share meaningful moments of remembrance.

Remembering our Founder, *Hershel "Woody" Williams*

Every Woody Williams story is more than a memory-it's a spark. A reminder of what courage looks like when it's lived quietly, humbly, and every single day. These stories show us the power of one person choosing service over self, compassion over comfort, and purpose over recognition. That's the power of a Woody Williams story. It doesn't end; it multiplies.

Do you have a Woody Story you'd like to share with us?

Honoring YOUR Hero for America 250! The July 4th festivities may be over, but we still invite you to participate in a number of opportunities that keep the spirit of America and your loved one's memory alive! Join the official America250 website to join your community in any number of events.
